**ORDER VACATING SETTINGS**

On October 7, 2020, State Farm Life Insurance Company, the plaintiff in this insurance-interpleader action, was dismissed after it deposited the disputed life insurance proceeds in the court's registry (ECF No. 28). The claimants reportedly reached a settlement at mediation (*see* ECF No. 33). It appears the only issue that remains in dispute is whether State Farm will have its attorney's fees paid out of the insurance proceeds, which is the subject of a pending motion (ECF No. 29).

Based on the status of the case, the court hereby cancels the pretrial conference set for December 22, 2020, and the trial set for October 5, 2021. The court vacates the deadlines for filing the proposed pretrial order and dispositive motions.

IT IS SO ORDERED.

Dated December 14, 2020, at Kansas City, Kansas.
